

Potential Duplicate Voter Registration Notice

1. Your voter registration has been identified as a possible duplicate voter registration in South Dakota. Please follow these instructions to confirm the validity of this voter registration.
2. If you are not registered at any other address, the information below is correct and you wish to remain registered to vote, please check the first box, sign, tear off, and return the attached card.
3. If any of this information is not correct, please check the first box, make the appropriate changes, sign, tear off, and return the attached card. Your voter registration will be changed to reflect the information which you provide.
4. **If this card is not returned within 30 days, your voter registration will become inactive.** With an inactive registration you will be able to vote by signing an affirmation of current address at your polling place.
5. If this card is not returned within 30 days and you do not vote by the second general election from today, your registration will be canceled.
6. If you have registered to vote elsewhere, please check the second box, sign, and return.
